

TARGET HIGH-TOUCH SURFACES TO LOWER HEALTH RISKS

Vigilant hygiene practices can help keep your drivers safe and healthy. Share this helpful guide of key surface areas in their fleet vehicles to wipe down upon entering and exiting:

DASHBOARD & CONTROLS

1. Dashboard pad and glove box
2. Infotainment screen
3. Climate control buttons
4. Air vents and adjusters
5. Steering wheel and control stalks

CONSOLE & SEATING

1. Center console pad
2. Compartments and cup holders
3. Gear selector
4. Seating areas and adjusters
5. Seat belts, adjuster and buckles

HEADLINER & DOOR PANELS

1. Sun visors
2. Rearview mirror
3. Window controls and door locks
4. Interior handles
5. Arm rests and door pulls

EXTERIOR SURFACES

1. Door handles
2. Fuel or charging flap
3. Trunk latch
4. Hood latch
5. Mirrors

Don't forget the key fob
